### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest a compensation device that adjusts the control signal applied to a first individually controllable element in the array of individually controllable elements to compensate for effects on the first individually controllable element caused by the control signal applied to at least one other individually controllable element in combination with all the other elements recited in independent claim 1.

The prior art does not disclose or suggest the method of adjusting the control signal applied to a first one of a plurality of individually controllable elements to compensate for effects on the first individually controllable element caused by the control signal to be applied to at least one other individually controllable element in combination with all the other steps recited in independent claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
